

Mexican Migration Project. Data Inventory at the Community and Municipio Level

DATA INVENTORY AT THE COMMUNITY AND MUNICIPIO LEVEL

Mexican Migration Project

IMPORTANT:

Bear in mind that some questions refer to the municipio while others to the community sampled

0) Interviewer's first name and last name:

1) Name of the COMMUNITY:

Community's project number:

2) Political category of the COMMUNITY (mark as appropriate):

- 1. State Capital
- 2. Municipal Seat
- 3. Dependency

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

3) Metropolitan category of the COMMUNITY (mark as appropriate):

- 1. Metropolitan (>100.000 hab.)
- 2. Medium City (15.000-100.000 hab.)
- 3. Town (2.500-15.000 hab.)
- 4. Village (less than 2.500 hab.)

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Mexican Migration Project. Data Inventory at the Community and Municipio Level

4) Principal crops grown in the MUNICIPIO:

Crop	Area planted in hectares		Principal End Use (mark as appropriate)**		
Corn	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Wheat	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Beans	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Corn/Beans*	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Sorghum	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Potato	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Forage Crops	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Tobacco	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Sugar Cane	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
Other (specify):	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>
	<input type="text"/>	market	<input type="text"/>	subsistence	<input type="text"/>

* in the same plot of land.

** mark all that apply.

5) Agricultural lands in the MUNICIPIO according to type of land:

Type of land	Area in hectares	Approximate price per ha. *
Irrigated	<input type="text"/>	<input type="text"/>
Rainfed	<input type="text"/>	<input type="text"/>
Grazing	<input type="text"/>	<input type="text"/>
Forest	<input type="text"/>	<input type="text"/>
Orchard	<input type="text"/>	<input type="text"/>

* refers to the price in sampling location; if not possible to obtain, report the municipio's average price.

Mexican Migration Project. Data Inventory at the Community and Municipio Level

6) Agricultural lands in the MUNICIPIO according to ownership:

Type of land	Area in hectares
Ejido	<input type="text"/>
Private	<input type="text"/>
Communal	<input type="text"/>

7) History of agrarian reform in the MUNICIPIO (mark as appropriate):

Was there land redistribution? Yes No

If answer is "Yes":

Year of first award	<input type="text"/>
Year of last award	<input type="text"/>
Average size of land award	<input type="text"/>

8) Hydraulic resources in the MUNICIPIO:

Is there a/an:	mark as appropriate:		Irrigated area (has.)
Irrigation System?	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Dam?	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Well or Spring?	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Reservoir?	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>

For all those above whose response is "yes", specify source of financing:

mark as appropriate*:

Dam	federal	<input type="checkbox"/>	private	<input type="checkbox"/>
Well	federal	<input type="checkbox"/>	private	<input type="checkbox"/>
Reservoir	federal	<input type="checkbox"/>	private	<input type="checkbox"/>

* Mark both to indicate mixed financing

Mexican Migration Project. Data Inventory at the Community and Municipio Level

9) Government support for agricultural activities in the MUNICIPIO:

List the institutions and government programs that provide support for agricultural activities present in the MUNICIPIO. For example, if there exists an office of the Department of Agriculture in the MUNICIPIO, or if programs such as the Crédito a la Palabra, PROCAMPO, SEMARNAP, etc. have been implemented in the MUNICIPIO.

10) Factories and workshops in the MUNICIPIO:

Total number of factories and workshops:

Number making durable goods

Number making non-durable goods*

*included as durable goods are woodworking and metalworking products as well as long-lasting items manufactured by factories and workshops, excluding clothing which we consider to be a non-durable good.

11) Educational Resources in the MUNICIPIO:

Type of school

Quantity

Founding Year*

Elementary School
 Secondary School
 Academies and Technical Inst.
 High School
 Teachers Training College
 University

* record the first one (for each type of school) to open in the Municipio

Mexican Migration Project. Data Inventory at the Community and Municipio Level

12) Public Services in the COMMUNITY:

	Mark as appropriate:		Year of Establishment
Electricity	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Drinking Water	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Public Lighting	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Public Telephone	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Post Office	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>
Telegraph	yes <input type="checkbox"/>	no <input type="checkbox"/>	<input type="text"/>

For all those above whose answer is "yes", (except for post office and telegraph) indicate if installation took place with community involvement:

Electricity	yes <input type="checkbox"/>	no <input type="checkbox"/>
Drinking Water	yes <input type="checkbox"/>	no <input type="checkbox"/>
Public Lighting	yes <input type="checkbox"/>	no <input type="checkbox"/>
Public Telephone	yes <input type="checkbox"/>	no <input type="checkbox"/>

13) Infrastructure in the COMMUNITY:

mark as appropriate:

Is there a Central Plaza? yes no

If answer is "Yes":

Was it built with the participation of the community?

yes no

Is there a Daily Market? yes no

Percentage of houses with electricity	<input type="text"/>
Number of Pharmacies	<input type="text"/>
Number of Video Stores	<input type="text"/>
Number of Satellite Dishes	<input type="text"/>

14) Infrastructure in the MUNICIPIO:

Number of Hotels	<input type="text"/>
Number of Catholic Churches	<input type="text"/>
Number of Protestant Churches	<input type="text"/>

Mexican Migration Project. Data Inventory at the Community and Municipio Level

15a) Banking and Financial resources in the MUNICIPIO:

Number of banks and branches*

Year first bank was established

Number of Exchange houses

* Specify the total number of branches, not the total number of banks.

15b) Financial Resources in the COMMUNITY:

Are there moneylenders in the community?

yes

no

If answer is "yes":

Monthly interest rate of moneylenders:

16a) Medical resources in the MUNICIPIO

Number of Medical/doctors' offices

Number of government clinics

Total number of hospitals

16b) Medical resources in the COMMUNITY

Is there an IMSS Hospital?

yes

no

17) Religious practices in the COMMUNITY:

Is there a Parish in the COMMUNITY?

yes

no

Month of the patron saint fiesta

Day of the patron saint

Are other patron saints celebrated?*

yes

no

If answer is "Yes":

Month of other saint's fiesta:

Day of other saint's fiesta:

* (The most important after the community's main patron saint fiesta --see previous question)

Has the day of the patron saint's fiesta changed?

yes

no

Do migrants usually attend the patron saint's fiesta?

yes

no

Is there a special mass or ceremony for migrants?

yes

no

Mexican Migration Project. Data Inventory at the Community and Municipio Level

18) Athletic facilities in the COMMUNITY:

Number of baseball diamonds

Number of soccer fields

Number of basketball courts

Is there a baseball league?

yes

no

Is there a soccer league?

yes

Is there a basketball league?

yes

19) Transportation available in the COMMUNITY:

Are the majority of streets paved?

yes

no

Are the majority of streets cobbled?

yes

In what year were streets first paved?

Number of kilometers to nearest paved road:

Number of minutes to nearest federal highway:

Is there a paved road to the federal highway?

yes

--

no

--

Year when road to highway was first paved

--

Are there taxis in the community?

yes

no

Is there a train station in the community?

yes

20) Migrants' participation in the COMMUNITY'S Public Works:

Indicate if any of the following public works was possible thanks to the financial support of migrants:

Electricity

yes

no

Drinking Water

yes

Public Lighting

yes

Market

yes

Athletic Facility

yes

Church

yes

School

yes

Plaza

yes

no

no

no

no

no

no

no

no

Mexican Migration Project. Data Inventory at the Community and Municipio Level

- 21) Socioeconomic indicators on the MUNICIPIO:
 (from the "Anuario Estadístico" published by INEGI)

Percentage of homes with dirt floors	
Percentage of homes with running water	
Percentage of homes with electricity	
Percentage of homes without indoor plumbing	
Number of post offices	
Number of deaths recorded last year	
Percentage of persons aged 15+ who are illiterate	
Number of delinquents recorded last year	
Number of cattle	
Number of pigs	
Number of manufacturing establishments	
No. of employees in manufacturing establishments	
Percentage of labor force in manufacturing industry	
Value of total manufacturing production in pesos	
Total public investment in housing	
Capacity of government granaries (metric tons)
